

ITRN 602 Student Presentations

November 1

Introduction: Qadeer Zadran, David Riedel

up to 25 minutes (about half presentation, half discussion)

Chapter 1: Savanna Schaffer, Anna Chayko, Abdul Alnoor

up to 55 minutes (about half presentation, half discussion)

Chapter 2: Han Qi, Sam Farnoushfar, Sean Dubiel

up to 55 minutes (about half presentation, half discussion)

Presenters' role

- Prepare a PowerPoint presentation explaining/summarizing/teaching your assigned chapter to the class.
- Come up with discussion questions for your classmates.

My role

- Help you prepare your presentations.
- Step in during classroom discussions to clarify more difficult points.

The rest of the class

- Read the chapters in advance.
- Come to class with discussion questions.

Timeline

10 days before your presentation: read your assigned chapter

7 days before your presentation: discuss chapter with teammates and myself after class

By noon on the day of your presentation: email me the final version of your presentation

Writing assignments

Required from everybody...

...including the students presenting that day (but no need to cover the chapter you are presenting)...

...unless you want to use one of your 3 freebies.

Attendance and participation

I will keep track of both more closely during the second part of the course, and they will be reflected in your course grade.
